By Car

Take the A44/A4 highway to the Aachen intersection. If you arrived on the A44, swap to the A4 in the direction of Antwerp/Heerlen. If you already chose the A4, pass under the "Kreuz Aachen" and take the fork to the right in the direction of Antwerp. After that, take the exit "Aachen-Laurensberg" and turn right at the first traffic light. Pass one traffic light and turn right at the fork onto the next exit towards "RWTH/Klinikum". Directly after passing under the train crossing, take the exit "RWTH-Melaten/Fraunhofer Institutes". Take the second exit in the roundabout into "Forckenbeckstraße", street parking will be available 100 m from there, on the right side. Alternatively, you might enter the Fraunhofer IME premise. Simply stop at the barrier and push the button to notify the reception desk, which will let you in. Visitor parking is straight ahead on the left.

By Public Transport

Travel by train to Aachen Central Station. From there take the Bus Line 3A (sign: "Uniklinik über Ponttor/Schanz") up to the
